	<b>2. Quality of the Work Programme</b>
	The organisation of the work is clear and appropriate to achieving the objectives; the work programme defines and distributes tasks / activities among the partners in such a way that the results will be achieved on time and to budget.
	<b>3. Innovative Character</b>
	The project will provide innovative solutions to clearly identified needs for clearly identified target groups. It will achieve this either by adapting and transferring innovative approaches which already exist in other countries or sectors, or by developing a brand new solution not yet available in any of the countries participating in the Lifelong Learning Programme.

	<b>8. Quality of the Valorisation Plan (Dissemination and Exploitation of Results)</b>
	The planned dissemination and exploitation activities will ensure optimal use of the results beyond the participants in the proposal, during and beyond the lifetime of the project. For the renewal of Multilateral networks, the quality of past performance will also be taken into account
